### AudioScript

#### B

Listen to people talk about different celebrations.  
Number the pictures from 1 to 3.

#### 1.

*Man:* When any of us has a birthday, the rule is that we all go out together. We like to get a nice present and treat the birthday person to dinner at a restaurant. But it's nice just to get together. We've been doing this now for over ten years – ever since we became friends at college. It's a way to keep in touch and a time to catch up on what's been happening with everyone.

#### 2.

*Woman:* For Thanksgiving, we usually like to get together with some of the neighbors for a big dinner. We take turns having it at each other's homes. It's fun because it's a time when the guys do all the cooking. But the menu is always the same – roast turkey with stuffing and mashed potatoes. After a fabulous dinner, we watch a football game together on TV.

#### 3.

*Woman:* At the end of the school year – before everyone goes off on vacation – my classmates like to have a picnic. We go to a nice place by the river, and everyone brings something to eat. It's a time when we talk about our plans for the summer. Usually it's nice and warm, and we all like to go swimming in the river.

#### C

Listen again. Complete the chart.
