MODERN LIVING

HOME | STORIES | PHOTOS

WE ASKED TWO PEOPLE ABOUT THE PLACES THEY LIVE.

Charles Bell

"My neighborhood is very convenient — it's near the shopping center and the bus station. It's also safe. But those are the only good things about living downtown. It's very noisy because the streets are always full of people! The traffic is terrible, and parking is a big problem! I can never park on my own street. I'd like to live in a small town."

Arlene Miller

"My family and I live in a nice small town. It has a great square where people meet for social events, and there's music on summer evenings. It's a safe place to raise children. But there is no privacy here. Everyone in town knows what you are doing all the time. And I don't meet as many interesting people as when I lived in the city. It can be too quiet here. I want more action! I think it's better downtown."
