# ESCUELA NORMAL DE EDUCACIÓN PREESCOLAR ENGLISH B1.2 UNIT 6 – THAT NEEDS FIXING VOCABULARY

Dear students, during the week we will describe problems and learn how to make complaints. Let's start with some useful vocabulary!

### **ACTIVITY 1 – ELECTRONICS AND PROBLEMS – 40 PTS.**

Write a definition for each word or expression in the picture, then write a sentence using each one of them.

WORD OR	DEFINITION	SENTENCE		
EXPRESSION				
Арр	abbreviation for application: a	Every day there are new apps that		
	computer program that is	help us make things easier		
	designed for a particular			
	purpose			
Battery	a device that produces	My cell phone battery lasts a long		
	electricity to provide power for	time during the day		
	radios, cars, etc.			
Camera	a device for taking photographs	I like to take photos of nature with		
	or making films or television	my camera		
	programmes			
Computer	an electronic machine that is	I use my computer every day to take		
	used for storing, organizing,	my classes		
	and finding words, numbers,			
	and pictures, for doing			
	calculations, and for controlling			
	other machines			
Phone	a device that uses either a	Whenever I go out, I have to have my		
	system of wires along which	cell phone at hand		
	electrical signals are sent or a			

system of radio signals to make it possible for you to speak to someone in another place who has a similar device  Printer a machine that is connected to a computer and prints onto paper using ink  Remote control something such as a machine or vehicle from a distance, by using electrical or radio signals  TV abbreviation for television content of cloth  Break a machine for washing clothes, sheets, and other things made of cloth  Break to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its temperature goes below 0°C cold in the control of the some and the printer as I do not understand it printer			
Printer  a machine that is connected to a computer and prints onto paper using ink  Remote control something such as a machine or vehicle from a distance, by using electrical or radio signals  TV abbreviation for television Break  Crash If a vehicle crashes or someone or cashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop  To damaged  Ticket  Treeze  Sometimes I have trouble using the printer as I do not understand it printer as I do not understand and I have to stand for it understand in I hate when the remote is far away and I have to stand for it understand in I hate when the r		system of radio signals to make	
Printer  a machine that is connected to a computer and prints onto paper using ink  Remote control  a system for controlling something such as a machine or vehicle from a distance, by using electrical or radio signals  TV  abbreviation for television  Washing machine  break  to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash  If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die  to stop being alive, either suddenly or slowly  Drop  to fall or to allow something to fall  Ticket  a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		it possible for you to speak to	
Printer a machine that is connected to a computer and prints onto paper using ink  Remote control system for controlling something such as a machine or vehicle from a distance, by using electrical or radio signals  TV abbreviation for television Something TV shows  Washing a machine for washing clothes, sheets, and other things made of cloth  Break to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		someone in another place who	
Remote a system for controlling something such as a machine or vehicle from a distance, by using electrical or radio signals  TV abbreviation for television Sometimes there are fun and entertaining TV shows  Washing machine of course something to separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		has a similar device	
Remote control something such as a machine or vehicle from a distance, by using electrical or radio signals  TV abbreviation for television  Washing a machine for washing clothes, sheets, and other things made of cloth  Break to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its	Printer	a machine that is connected to	Sometimes I have trouble using the
Remote control something such as a machine or vehicle from a distance, by using electrical or radio signals  TV abbreviation for television Sometimes there are fun and entertaining TV shows  Washing machine of cloth to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		a computer and prints onto	printer as I do not understand it
control  something such as a machine or vehicle from a distance, by using electrical or radio signals  TV  abbreviation for television  Washing machine  a machine for washing clothes, sheets, and other things made of cloth  Break  to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash  If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die  to stop being alive, either suddenly or slowly  To fall or to allow something to fall  Ticket  a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		paper using ink	
vehicle from a distance, by using electrical or radio signals  TV abbreviation for television  Washing machine sheets, and other things made of cloth  Break to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its	Remote	a system for controlling	I hate when the remote is far away
Using electrical or radio signals  TV abbreviation for television  Break at 0 (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its	control	something such as a machine or	and I have to stand for it
TV abbreviation for television Sometimes there are fun and entertaining TV shows  Washing machine of cloth sheets, and other things made of cloth  Break to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		vehicle from a distance, by	
Washing machine between the property of the suddenly or slowly a lower its temperature below 0°C, causing it to become cold and often hard, and if something to you concert cold and often hard, and if something freezes, its		using electrical or radio signals	
Washing machine a machine for washing clothes, sheets, and other things made of cloth  Break to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its	TV	abbreviation for television	Sometimes there are fun and
machine sheets, and other things made of cloth  Break to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below O°C, causing it to become cold and often hard, and if something freezes, its			entertaining TV shows
Break  to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash  If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die  to stop being alive, either suddenly or slowly  Drop  to fall or to allow something to fall  Ticket  a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below O°C, causing it to become cold and often hard, and if something freezes, its	Washing	a machine for washing clothes,	I'm 19 years old and I still don't know
Break  to (cause something to) separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash  If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die  to stop being alive, either suddenly or slowly  Drop  to fall or to allow something to fall  Ticket  a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its	machine	sheets, and other things made	how to use the washing machine
separate suddenly or violently into two or more pieces, or to (cause something to) stop working by being damaged  Crash If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		of cloth	
into two or more pieces, or to (cause something to) stop working by being damaged  Crash  If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die  to stop being alive, either suddenly or slowly  Drop  to fall or to allow something to fall  Ticket  a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its	Break	to (cause something to)	I hate when a nail breaks
Crash  If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		separate suddenly or violently	
Crash  If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		into two or more pieces, or to	
If a vehicle crashes or someone crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly fall It makes me feel sad when someone dies  Drop to fall or to allow something to fall I hate carrying a lot of things in my hand and dropping something  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		(cause something to) stop	
crashes it, it is involved in an accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		working by being damaged	
accident, usually a serious one in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly dies  Drop to fall or to allow something to fall fall hand and dropping something  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its	Crash	If a vehicle crashes or someone	It happens very often that one car
in which the vehicle is damaged and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		crashes it, it is involved in an	crash with another
and someone is hurt to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		accident, usually a serious one	
to hit something, often making a loud noise or causing damage  Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall hate carrying a lot of things in my hand and dropping something  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		in which the vehicle is damaged	
Die to stop being alive, either suddenly or slowly dies  Drop to fall or to allow something to fall hand and dropping something  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		and someone is hurt	
Die to stop being alive, either suddenly or slowly  Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		to hit something, often making	
Drop to fall or to allow something to fall Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		a loud noise or causing damage	
Drop to fall or to allow something to fall  Ticket a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its	Die	to stop being alive, either	It makes me feel sad when someone
Ticket  a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		suddenly or slowly	dies
Ticket  a small piece of paper or card given to someone, usually to show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its	Drop	to fall or to allow something to	I hate carrying a lot of things in my
given to someone, usually to show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		fall	hand and dropping something
show that they have paid for an event, journey, or activity  Freeze  If you freeze something, you lower its temperature below  O°C, causing it to become cold and often hard, and if something freezes, its	Ticket	a small piece of paper or card	I want tickets for the Bad Bunny
Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		given to someone, usually to	concert
Freeze  If you freeze something, you lower its temperature below 0°C, causing it to become cold and often hard, and if something freezes, its		show that they have paid for an	
lower its temperature below  0°C, causing it to become cold  and often hard, and if  something freezes, its		event, journey, or activity	
0°C, causing it to become cold and often hard, and if something freezes, its	Freeze	If you freeze something, you	I hate when my computer freezes
and often hard, and if something freezes, its		lower its temperature below	
something freezes, its		0°C, causing it to become cold	
		and often hard, and if	
temperature goes below 0°C		something freezes, its	
		temperature goes below 0°C	

Jam	something that is stuck in a	Sometimes printers get stuck
	machine, or that prevents the	
	parts of a machine from moving	
Jump	to push yourself suddenly off	Jumping is a fun activity
	the ground and into the air	
	using your legs	
Skip	to not do or not have	When I do not like a song, I skip
	something that you usually do	
	or that you should do; to	
	avoidgo	

## **ACTIVITY 2 – ELECTRONICS AND PROBLEMS – 20 PTS.**

**B** What electronics have the following problems? Write words from your vocabulary log in the chart.

Problem	Items
freezes	computer, camera
drops call	
crashes	
jams	
the screen flickers	
the buttons stick	

Problem	Items		
Freezes	Computer, camera		
Drops call	Phone, app		
Crashes	Camera, phone		
Jams	Printer, washing machine		
The screen flickers	Tv, phone, computer		
The buttons stick	Remote control		

**ACTIVITY 3 – ELECTRONICS AND PROBLEMS – 20 PTS.** 

A Circle the correct gerund to complete the sentences. Then compare with a partner.

- 1. My TV screen goes on and off all the time. It keeps flickering sticking.
- 2. The music player app jumps to the next song every 20 seconds. It keeps crashing (skipping)
- 3. The battery in my new camera doesn't last long. It keeps freezing / dying.
- 4. Something is wrong with my computer! It keeps crashing ) jamming.
- 5. I can't talk for long on my new phone. It keeps dying dropping calls.
- 6. This printer isn't making all the copies I want. It keeps jamming (flickering)
- 7. My computer needs to be replaced. It keeps dropping (freezing)
- 8. The buttons on the remote control don't work well. They keep skipping (sticking.)

#### **ACTIVITY 4 – PROBLEMS – 20 PTS.**

## What's wrong with it?

A What can be wrong with these things? Put these words in the correct categories. (Most words go in more than one category.)

tablecloth

chipped	cracked	dented	leaking	scratched	stained	torn

B What is wrong with these things? Use the words in part A to write a sentence about each one.

1. The car is scratched. or There's a scratch on the car.

I had an accident and now the blouse is torn

By accident I threw juice on the carpet and it got stained

I had an accident on the bicycle and it dented

It's annoying when the sink leaks

One of the kitchen chairs is chipped

I dropped a plate and now it's broken

I did not know how the kitchen tablecloth was

Can't see anything when the glasses are cracked

chipped	cracked	dented	torn	Scratterica	Stained	Torn
chairs	Glasses Plate	bike	sink	car	carpet	Blouse tablecloth
