

UNIT 1 CHOICE BOARD & SELF REFLECTION EVIDENCE

Suárez García Debanhi Yolanda

I think that these exercises help me to practice English, I liked being able to practice reading, writing and listening a little more and learn more vocabulary.

The collage consists of five screenshots from a language learning interface. Each screenshot shows a 'How did you do?' section with a green circular progress indicator at 100%. The text below the progress indicator reads: 'We have lots more activities to help you practice your English! Choose an activity below or search for a different one.' Below this is a 'RESTART ACTIVITY' button. One screenshot (bottom left) shows a 'Well done! You answered all the questions correctly.' message. The screenshots are arranged in a grid-like fashion, with some overlapping.
