One of the most important national holidays in the United States is Independence Day. This is the day when Americans celebrate winning their independence from Britain almost 250 years ago. There are many customs for Independence Day. Most towns, big and small, mark this holiday with parades and fireworks. They put up a lot of decorations usually in red, white, and blue, the colors of the U.S. flag. Bands play patriotic music. It's also a day when many Americans get together with family and friends to celebrate with a barbecue or a picnic.
