# INTERCHANGE: Flea market (ON-LINE)

A *flea market* is a place where people sell used things. Sellers have an “asking price”, but people **bargain**.

(Bargain: negotiate. When you bargain you buy or offer for sale more cheaply than the usual or expected.)

1. Are there flea markets in your city?
2. Do people bargain for better prices?
3. What do you see in the picture ?
4. What is a good price for a used tablet?

**A:** Excuse me, ma'am/miss/sir.

**B:** Can I help you?

**A:** How much is the tablet computer?

**B:** It's only \$70.

**A:** Wow! That's expensive!

**B:** Well, how about \$35?

**A:** No. That's still too much. I'll give you \$30 for it.

**B:** Sold! It's yours.
