# CONVERSATION

A: Hi Ime. What are you doing?

I: In my class they asked me for homework to investigate problems in Saltillo. Which do you think is the most popular?

A: In the afternoon I was reading the newspaper and I saw that there is too much crime and violence in Saltillo.

I: True, it is a big problem. Do you think there is a solution?

A: Yes of course, there should be more police officers on the streets and more streetlights.

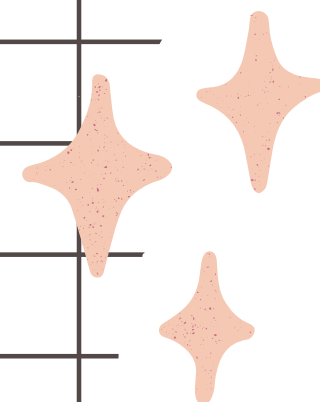

I: Okey, let me write it down in my notebook. Another problem?

A: Mmmm, I don't know maybe the bad driving education.

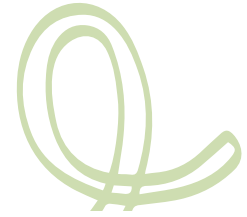

I: It's true, the people who live in Saltillo do not have driving education, there are young people driving drunk. What solution would you give to solve this problem?

A: Mmmm, I think that the government should talk about the importance of driver education.

I: Yes and we need penalize who cause the accidents .
