## **Project unit 1 It's a really great place!**

Instructions: Choose one place you want to go on vacation. Then answer these questions about that place.

### ***Jeju Island***

#### **What's it like?**

Jeju was created by volcanic eruptions more than 2 million years ago. Is a volcanic island in the corner of south Korea, and it is very beautiful because it has green pastures, ancient villages, museums, and another attractions. Also has beautiful views, that's why its a very unique and charmer place. A perfect holiday getaway for both locals and travelers

#### **What can you do there?**

Its perfect for the nature lovers, you can visit all the beautiful places of this island like the beaches and waterfalls, you can go hiking and rent a kayak, also you can go to restaurants and shops in the Jeju city

#### **You can visit:**

You can visit the O'Sulluc Tea Museum There you can find small plantations where shops and cafes have been set up. Which offers matcha versions of everything! from the typical infusion to ice cream, cakes or even cosmetics. Perfect for the matcha lovers.

Also, there's a lot of beautiful beaches like the Hamdeok Beach or the waterfalls, one of the most famous is the Cheonjeyeon Falls.

#### **What should you see there?**

You shouldn't miss go to Seongsan Ilchulbong, this is a place was formed more than 5000 years ago by volcanic eruptions and is also called "peak sunrise". The tradition is to climb stairs very early to see the sunrise.

#### **What's the weather like?**

With an average daily high temperature of 19 degrees, Jeju is one of the warmest regions in South Korea.

#### **What's the best time of year to visit?**

Due to warmer temperatures, the best time to travel is from June to September. Less attractive are the cold months from November to March.

#### **What things can you buy?**

For example, at the right next to the O'Sulluc Tea Museum door is the Innisfree House, a cafeteria where you can also buy Innisfree products (a Korean brand of cosmetics).

Also, you can buy ice cream of hallabong (like orange) or peanut, made with typical ingredients of the island.

Another thing you can buy is a little bottle of soju Hallasan, an alcoholic drink made with water extracted from large underground rocks.
