Wednesday, November 15th, 2023

Saltillo, Coahuila

Conversation

Isela- Doctor Melanny- Mother Tere- Daughter

Melanny: Good morning, may us come in?

Doctor: Good morning! Of course, take a sit.

Melanny: Hello doctor, thank you for having us.

Doctor: You're welcome, so tell me, how can I help you?

Melanny: My little daughter has been sick for 5 days.

Doctor: Oh, I see. What are her symptoms?

Melanny: Come on, tell it to the doctor (tells to the daughter)

Tere: I feel very bad. I have a terrible cold, and sometimes I have fever and my body hurts me a lot.

Melanny: And what about your breath? Can you breathe correctly?

Tere: Mmm. No :(, First I start with a little sore throat and then I got the flu and now I have fever

Isela: She has been feeling very bad during these days, I don't know what to do.

Doctor: Don't worry, maybe is because of the weather changes

Melanny: What do you suggest us to do?

Doctor: I suggest resting for 2 days

Also is very important to take the correct medication.

Melanny: What medicines can we buy?

Doctor: You can buy Antiflu des and ibuprofen

Tere: Could I take one in the morning?

Doctor: Yes! But you have to take it before eating something and each 8 hours

Melanny: Are you going to take you medicines right?

Tere: Yes, I promise it.

Doctor: Also, sometimes it's helpful to put a cold path in your head, and I suggest drinking a lot of water

Tere: Okey, thank you.

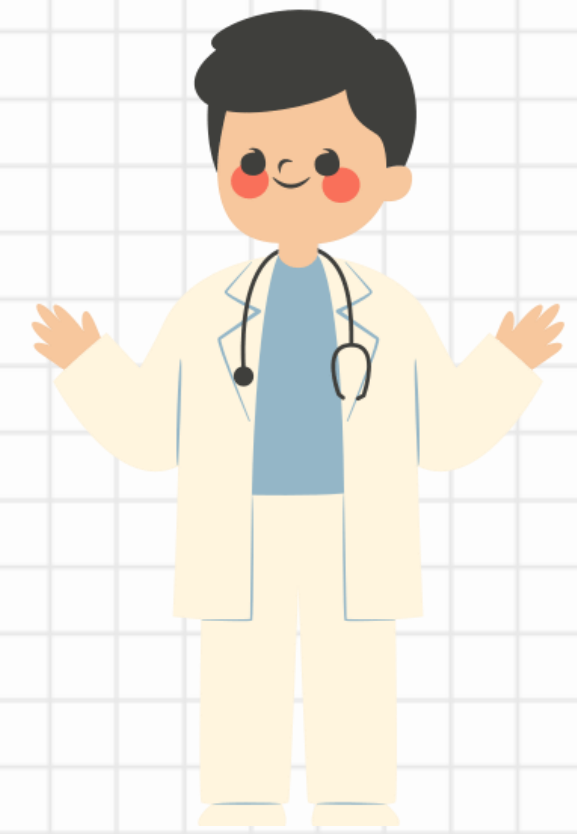

Melanny: Thanks for help us doctor.

Doctor: You're welcome, get well soon!

Reflective Note

With this work we improve our English because we put in practice all the knowledge that we got during the unit.

Thanks to the video, we develop all the necessary competences, in consequence of this, we were able to exchange information and our different knowledges, at the time that we develop our vocabulary by representing situations of our daily life.

During this unit we learn different things like the correct use of the words: can, could, should and may. Also, something very important that we learn, was how to say the symptoms of the diseases of our daily life and how to communicate it.

SELF ASSESSED RUBRIC

Category	Unsatisfactory 2	Satisfactory 3	Proficient 4	Excellent 5
On time	Doesn't deliver the project	Deliver the project out of time.	Deliver the project out of time but show a formal excuse.	Deliver the project on time
Creativity	Not creative or original	It is creative and original enough	It is quite creative and original	It is very creative and original
Contents	Insufficient or improper contents. Doesn't show evidence of knowledge.	Show evidence of knowledge. Enough contents.	Enough contents Show mastery of knowledge.	Outstanding content Show excellent knowledge.
Presentation	Information and ideas are poorly sequenced (the author jumps around).	Information and ideas are presented in an order that the audience can follow with minimum difficulty.	Information and ideas are presented in a logical sequence which is followed by the reader with little or no difficulty.	Information and ideas are presented in a logical sequence which flows naturally and is engaging to the audience.
