VISIT MONTERREAL

One of the most beautiful places to visit in Coahuila is Arteaga, here you will find a place called Forests of Monterreal. This place is located 15 kilometers from Saltillo, here you will find cabins surrounded by trees, which makes it one of the coldest places in the area. Here you will find one of the largest lakes and skating rinks in the state that will keep you entertained for hours. This is the best place to vacation as it is more relaxing, bigger, safer, and prettier than other resorts in the region. You can't miss the best experience in the forest.
