

# Get to know you

My name is Diana Elizabeth Sánchez Angeles, people call me Eli. I'm from Saltillo, Coahuila and I was born on September 4, 2004 (I'm still 19 years old) and my email is elizabethangeles048@gmail.com.

At home I have internet access and a mobile phone.

As for my tastes, I usually listen to pop music in English and I like to read novels and I don't play any sports, but I like to play the piano and sing. I haven't watched any sitcoms or shows in English. In my free time I sing, read or prepare desserts.

My family is close, we are my mother, my stepfather, my younger sister who is 8 years old and me. And I'm not married nor do I have children.

I consider knowing English is important because it helps us communicate in different places around the world. I've never really studied English well because they only talked about the verb to be.

I have some devices to take to classes such as a tablet and laptop.
