Get to know you...

My name is Angela González. People call me Angi but only people close to me. I'm from Tlaxiaco Coahuila. I was born on April 12, 2003. I'm 21 years old.

My email is angigonzc12@gmail.com. I have access to internet in my home. I do have my own cellphone.

I listen to songs in English, mostly pop. I like to read love novels. I go to the gym and sometimes I play soccer.

I like to draw mandalas. I watch series in English, I like documentaries. In my free time I like to go to the gym or be with my boyfriend.

My family is very close, everyone is very hard-working and we really like spending time together.

I'm not married and I don't have children.

On this occasion I am looking to improve my vocabulary and be able to conjugate sentences.

I have studied English since I entered ENEP.

I have a laptop.
